A BILL

FOR AN ACT ENTITLED

1 **"An Act limiting the exercise of eminent domain."**

2 **BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF ALASKA:**

3 * **Section 1.** The uncoded law of the State of Alaska is amended by adding a new section
4 to read:

5 LEGISLATIVE INTENT AND FINDINGS. (a) The legislature finds that

6 (1) the United States Supreme Court decision in Kelo v. City of New London,
7 545 U.S. ___, 125 S.Ct. 2655, 162 L. Ed. 2d 439 (2005) demonstrates that an overly
8 expansive application of eminent domain powers can be a threat to the property rights of all
9 private property owners;

10 (2) it is necessary to provide clarification regarding the exercise of eminent
11 domain in the following two situations:

12 (A) the taking of private property if the purpose is to transfer the
13 property to another private person for economic development;

14 (B) the taking of a landowner's personal residence to develop an indoor
15 or outdoor recreational facility or project.

(b) In recognizing that many public projects will have economic effects, the legislature intends by this Act not to

(1) restrict those public uses already recognized in state law merely because the project may have an associated economic effect; or

(2) provide an absolute bar on transfers of land to private entities, but to place restrictions on when such transfers occur.

(c) In this section, "economic development" means development of property for a commercial enterprise carried on for profit or to increase tax revenue, tax base, or employment.

* **Sec. 2.** AS 09.55.240(a) is amended to read:

(a) **Except as provided in (d) and (e) of this section, the** [THE] right of eminent domain may be exercised for the following public uses:

(1) all public uses authorized by the government of the United States;

(2) public buildings and grounds for the use of the state and all other public uses authorized by the legislature of the state;

(3) public buildings and grounds for the use of an organized or unorganized borough, city, town, village, school district, or other municipal division, whether incorporated or unincorporated; canals, aqueducts, flumes, ditches, or pipes conducting water, heat, or gas for the use of the inhabitants of an organized or unorganized borough, city, town, or other municipal division, whether incorporated or unincorporated; raising the banks of streams, removing obstructions from them, and widening, deepening, or straightening their channels; **and** roads, streets, and alleys, and all other public uses for the benefit of an organized or unorganized borough, city, town, or other municipal division whether incorporated or unincorporated, or its inhabitants, which may be authorized by the legislature;

(4) wharves, docks, piers, chutes, booms, ferries, bridges of all kinds, private roads, plant and turnpike roads, railroads, canals, ditches, flumes, aqueducts, and pipes for public transportation, supplying mines and farming neighborhoods with water, and draining and reclaiming land, and for floating logs and lumber on streams not navigable, and sites for reservoirs necessary for collecting and storing water;

(5) roads, tunnels, ditches, flumes, pipes, and dumping places for

1 working mines; also outlets, natural or otherwise, for the flow, deposit, or conduct of
 2 tailings or refuse matter from mines; also an occupancy in common by the owners or
 3 possessors of different mines of any place for the flow, deposit, or conduct of tailings
 4 or refuse matter from their several mines, and sites for reservoirs necessary for
 5 collecting and storing water;

6 (6) private roads leading from highways to residences, mines, or farms;

7 (7) telephone lines;

8 (8) fiberoptic lines;

9 (9) [(8)] telegraph lines;

10 (10) [(9)] sewerage of an organized or unorganized borough, city,
 11 town, village, or other municipal division, whether incorporated or unincorporated, or
 12 a subdivision of it, or of a settlement consisting of not less than 10 families, or of
 13 public buildings belonging to the state or to a college or university;

14 (11) [(10)] tramway lines;

15 (12) [(11)] electric power lines;

16 (13) [(12)] for the location of pipelines for gathering, transmitting,
 17 transporting, storing, or delivering natural or artificial gas or oil or any liquid or
 18 gaseous hydrocarbons, including, but not limited to, pumping stations, terminals,
 19 storage tanks, or reservoirs, and related installations.

20 * **Sec. 3.** AS 09.55.240 is amended by adding new subsections to read:

 22 property from a private person for the purpose of transferring title to the property to
